What is PEGapalooza?

PEGapalooza is the premier private-equity event in the Southwest.

Join 15 hand-selected private equity groups in 15-minute virtual speed dating sessions with 15 investment banks to help increase deal flow and ultimately close deals.

Historically, PEGapalooza's speed dating is followed by an evening of Wine & Whiskey tasting with approximately 300 deal professionals from around the country. With the current pandemic, we tentatively have rescheduled the Dealmaker Wine & Whiskey Tasting for January 2022.
